**In Pew Parish Census - All Families !**

**A reminder, we will continue updating our parish census . We are asking those who are already registered in the parish as well as those who are not, to please take and fill out a new registration form so that we can update our files.**

**This is very important as we have not taken a census in many years.**

**It would be a big help if everyone would just take a moment to fill out these forms.**

**You can return them by mail, collection basket, or send to the rectory. Thank you**

**OUR DIOCESE WILL BE RESTORING THE ORDER IN WHICH THE SACRAMENTS OF INITIATION; BAPTISM, CONFIRMATION, FIRST EUCHARIST; ARE CELEBRATED. Over the next few years, the standard age of Confirmation is going to be third grade throughout the Diocese of Manchester, and Confirmation will be celebrated before, not after, First Eucharist. This practice restores Confirmation to its original place. Through this process, the three Sacraments of Christian Initiation return to the logical order in which they were designed to be received: first Baptism, then Confirmation, then Eucharist. It also restores the practice of administering the Sacraments of Christian Initiation to young children as early as possible. Our parish has a plan for an implementation schedule, as well as a renewed vigor for implementing this change within the context of Lifelong Faith Formation. This will help us to provide an enriching experience of God's love through the sacramental life of the Church. Go to [www.catholicnh.org/lifelong](http://www.catholicnh.org/lifelong) for more information on this important change.**
