A note from Monsignor Moe !

Dear Parishioners,

Please forgive the fact that I have not replied to any of you for the acknowledgements which I received on the occasion of my recent elevation to the office of Monsignor.

Please know I truly appreciate the kind, thoughtful, generous gifts and well wishes which I received.

As a result of my recent illness, I have not been able to write personal notes of thanks.

I have been diagnosed with pulmonary fibrosis. Under doctor's supervision and additional rest, I appear to be making some progress.

With time and proper care, I should continue to improve more rapidly.

Thank you for your prayers.
